

Hepatitis B Vaccine Practice

I heard that vaccines will hurt my baby and cause (*insert disease here*)?

How might you respond to this question?

What sources would you refer parents to for more information?

Hepatitis B Vaccine Practice

I don't want to hurt my baby so soon after they've been born! They've been through enough...

How might you respond to this concern?

What sources would you refer parents to for more information?

B

Hepatitis B Vaccine Practice

Why do they need the Hepatitis B vaccine? Isn't it sexually transmitted?

How might you respond to this question?

What sources would you refer parents to for more information?
