

# Addressing Nurse Suicide

- 
- **What We Don't Know Might Hurt Us**  
(American Nurse (ANA) Magazine October 2018 Vol 13/Number 10)
  - **The American Association of Critical-Care Nurses has identified six Health Work Environment (HWE) standards:**
    - Skilled Communication
    - True Collaboration
    - Effective Decision-Making
    - Appropriate Staffing
    - Meaningful Recognition
    - Authentic Leadership
  - HWE Assessment Tool can be found at [bit.ly/2p64SGU](https://bit.ly/2p64SGU)
  - In addition, a healthy work environment does not tolerate bullying, which can harm a nurse's mental health.
